Luna Zhu

AI/ML PRODUCTS · CLOUD PLATFORMS · MONETIZATION

Seattle, WA | (+1) 323-610-3358 | luna.x.zhu@gmail.com | LinkedIn

SUMMARY

Product leader with 11+ years of experience driving AI/ML products, cloud platforms, and monetization across Amazon Retail, AWS, and SaaS. Proven track record in 0-to-1 product launches, roadmap prioritization, and cross-functional execution, translating complex technical challenges into measurable business outcomes.

Core Expertise: Product Strategy & Roadmaps | AI/ML Products | Experimentation | Cloud Platforms | Monetization

Technical & Professional Credentials: AWS Solutions Architect – Associate | AWS AI Practitioner | CFA Charterholder

PROFESSIONAL EXPERIENCE

Amazon | *Seattle, WA*
Senior Product Manager | Amazon Retail | Feb 2025 – Present

- **GenAI Virtual Try-On | 0-to-1 Product Strategy & MVP:** Led product strategy and roadmap prioritization across 5+ engineering, UX, and research teams; synthesized customer research, adoption data, and 13 competitor benchmarks to prioritize high-value features and deprioritize a high-friction custom avatar experience.
- **Experimentation & Quality Guardrails | 500K+ Customer A/B Test:** Defined success metrics and return-rate guardrails; identified fit-accuracy gaps and elevated return risks, partnering with senior leadership to pause broader rollout and protect unit economics and customer trust.
- **Global Size Intelligence | 10–20 bps Return Reduction:** Identified a 100–200 bps sizing-related return-rate gap among China FBA sellers; translated SQL analysis, seller interviews, and ASIN audits into ML size-mapping requirements and launched a top-seller pilot achieving 10% gap closure.
- **Scalable Decision Frameworks | Adoption Across 10+ Teams:** Built and scaled a reusable mix-analysis framework for product and business decisions through training and documentation; separately developed entitlement and opportunity-sizing frameworks adopted by 2 teams.

Finance Strategy Manager | AWS Product Strategy & Monetization | Jun 2021 – Feb 2025

- **CloudWatch Application Signals | 0-to-1 Product Launch & $10M First-Year ARR:** Co-owned product roadmap, PRDs, feature prioritization, and launch readiness with PM and Engineering; led pricing and cost strategy, secured SVP approval for tiered usage-based pricing, and launched a cross-service observability bundle.
- **AWS X-Ray | +30pp Gross Margin Expansion:** Led a pricing and billing redesign, defining product requirements and transitioning from per-trace billing to a cost-aligned GB + spans model; secured VP approval through elasticity, margin, and customer bill-impact analyses.
- **AWS Timber | $100M Realized Annualized Savings:** Secured $30M in initial customer savings commitments to restore executive prioritization for an internal usage-metering platform; partnered with Engineering and 40+ internal teams to launch the platform and scale adoption.
- **Cloud Portfolio Strategy | $50M–$100M Portfolio Ownership:** Governed pricing and monetization decisions across four AWS cloud services, evaluating customer elasticity, competitive TCO, and unit economics to guide commercially sustainable product strategies.

Internet Brands | *Los Angeles, CA*
Senior Financial Analyst | SaaS Product Strategy & Monetization | Aug 2017 – May 2021

- **Consumer SaaS Monetization | 10% ARR Growth & +50% Conversion:** Owned subscription pricing, customer segmentation, and digital funnel optimization for a $20M ARR SaaS business; leveraged elasticity and ARPU/LTV modeling to inform packaging, upsell, and conversion strategies.
- **Lifecycle Analytics | 60% Faster Reporting:** Automated Tableau/Salesforce dashboards, reducing reporting cycle time from 10 days to 4 and improving access to customer lifecycle insights.

R.R. Donnelley | *Los Angeles, CA*
Pricing Analyst | Aug 2015 – Aug 2017

- **Statistical Analysis & Scenario Modeling:** Built quantitative pricing models using Oracle Database to optimize deal win rates and margins.

EDUCATION

Master's Degree | University of Southern California (Dean's Merit Scholarship) 2015
B.A. Economics | Fudan University 2013
